The environment Cala Tarida is a beautiful bay in the southwest of Ibiza. Almost nowhere is the water as clear as here and you can still feel the atmosphere of the past here. Have a seat at one of the restaurants or bars located directly by the sea. Cala Tarida is within fifteen minutes driving distance from San José and within twenty minutes from San Antonio. The project The luxury villas are delivered to the highest standard with a choice of two decoration styles: raw or contemporary. You can use an interior stylist free of charge. The gated community where these 149 villas are being built has 24-hour security, eight community pools, and a padel court. You can choose whether you want a private pool in the garden or a Jacuzzi on the roof. The villas offer an oasis of light, lots of privacy and are set on a spacious plot. Where the sea view is magnificent and provides a serene atmosphere. Example villa You can have your villa delivered to your taste, choosing which facilities you invest in. The villas are designed in such a way that the service, energy, and maintenance costs remain as low as possible. Spread over two floors, the residences all facilitate three bedrooms, one type having two and the other having three bathrooms. Private parking is also available, and all villas have both a garden and roof terrace with sea views.
