The surroundings The fishing village of Portinatx lies in the most northern bay of Ibiza. With the lighthouse as a landmark. Portinatx has become a popular destination for lovers of nature, fine restaurants, and beautiful sandy beaches. The project This ten-house project will be completed in two and a half years. The luxury apartments are on the ground floor, and all consist of three bedrooms and two bathrooms, with the master bedroom having an en-suite bathroom. There is also a fully equipped kitchen, spacious living room, and a spacious balcony. The apartments are delivered as desired and are located in a two-story complex. If you choose the top floor, you will have your own sunbathing lawn where a private swimming pool can be realized. The bottom choice flows into the garden with the communal pool. Because all houses face west, spectacular sunsets are guaranteed. Additional features The complex has an underground garage. Here are individual storage rooms and parking spaces. Through the house, you can reach the garage by elevator. Extra special about this project is that the houses are located directly on the bay. This gives you the option to park your boat at the foot of your home.
